

"The Easy Route to Maintenance Report"

4 June 2010

Dear Shareholder,

RE : eDividend (Electronic Dividend) service

We have been informed that Bursa Malaysia Berhad ("BURSA") will be implementing eDividend commencing third quarter of 2010. eDividend refers to the payment of cash dividends directly into the shareholder bank accounts instead of payment of dividends by way of cheque via mail. The benefits of eDividend to you as a shareholder include:-

1. faster access to your cash dividends;
2. eliminates the inconvenience of depositing the dividend cheques;
3. avoid other problems such as misplaced, lost or expired cheques; and
4. prevents unauthorized deposit of dividend cheques.

In line with the implementation of eDividend by BURSA, we are pleased to inform you that CWorks Systems Berhad ("the Company") will be providing eDividend service to our shareholder with effect from the third quarter of 2010.

Registration for eDividend will commence on 19 April 2010 for a period of 1 year until 18 April 2011, at no cost to the shareholders. If you register after the 1 year grace period, an administrative charge will be imposed.

To register for eDividend, you are required to provide to Bursa Malaysia Depository Sdn Bhd through your stock broker, your bank account number and other information by completing the prescribe form. The aforesaid prescribed form can be obtained from your stock broker's office where your CDS account is maintained, or downloaded from BURSA's website at www.bursamalaysia.com/website/bm/trading/edividend.html. In its website, Bursa has also provided an information kit to facilitate better understanding with regards to eDividend.

Thank you.

Yours sincerely
for CWorks Systems Berhad
